

June 2026

Welcoming Robyn Weston, PMHNP

Behavioral Health Services by Easterseals NH is pleased to welcome **Robyn Weston, Psychiatric Mental Health Nurse Practitioner (PMHNP)**, to our outpatient team in Manchester.

Robyn brings more than 20 years of nursing experience to her role, including service in the U.S. Army Nurse Corps, where she cared for individuals in a wide range of clinical settings and life circumstances.

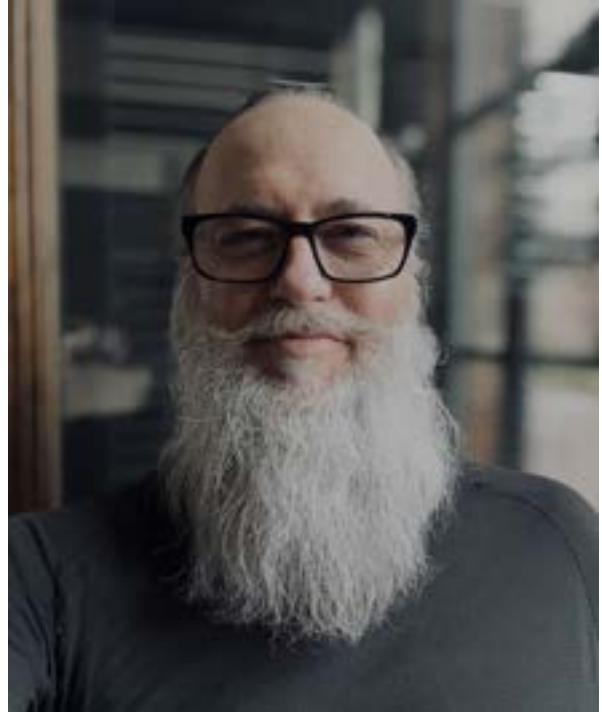

As a Psychiatric Mental Health Nurse Practitioner, Robyn provides medication assisted treatment and medication management services while also taking a holistic approach to care. She works closely with each individual to understand their experiences, goals, and unique needs, developing treatment plans that may incorporate medication, therapeutic strategies, and other supports.

Supporting Every Individual's Journey

Happy Pride Month! At Behavioral Health Services by Easterseals NH, we believe everyone deserves access to compassionate, respectful, and affirming care.

During Pride Month and throughout the year, our team is committed to creating welcoming environments where individuals can seek support, build resilience, and pursue their goals without fear of judgment. Mental health and substance use challenges can affect people from all walks of life, and meaningful care begins with ensuring that every person feels seen, heard, and valued.

Our clinicians work with individuals from diverse backgrounds and experiences, tailoring services to meet each person's unique needs. By fostering an inclusive approach to care, we help create stronger therapeutic relationships and better outcomes for those we serve.

Whether someone is seeking support for mental health concerns, recovery from

substance use, or assistance navigating life's challenges, our team is here to help.

Join Our Outpatient Behavioral Health Team!

Behavioral Health Services by Easterseals NH is seeking an **Outpatient Mental Health Clinician** to join our Manchester team.

This role provides outpatient counseling services to adults experiencing mental health challenges, with a dual focus on supporting Veterans as part of our broader commitment to accessible, person-centered care.

Clinicians work as part of a multidisciplinary team to deliver evidence-based, trauma-informed treatment that may include individual therapy, group support, and coordination of care with other services. The ideal candidate will be committed to providing compassionate, collaborative, and evidence-based care in a team-oriented clinical environment.

We're also hiring a **Patient Services Coordinator**. This highly skilled professional will serve as the first point of contact and support for our clients, greeting and checking them in, providing accurate information and ensuring a supportive and respectful client experience.
